

Participation in interscholastic/co-curricular activities at the Berlin Brothersvalley School District is a privilege and is subject to this Code of Ethics. Participation in interscholastic/co-curricular activities is a privilege granted to a student, not a right guaranteed to them. Each interscholastic/co-curricular participant is required to do his/her best at all times.

Each interscholastic/co-curricular participant is required to refrain from the use of alcohol, tobacco, and drugs (unless prescribed by a doctor). Use or possession of tobacco, alcohol, or drugs shall result in that student being expelled or suspended from the team, club or activity, in addition to other administrative disciplinary action. The above include admitted use or possession of use, on or off school property, during any school activity to a coach or school personnel, faculty, or administration.

Each interscholastic/co-curricular participant will recognize the authority of his/her teacher and the administration over his/her participation in interscholastic/co-curricular. S/he will understand that for reasons of improper conduct, disobedience, low grades, etc., s/he will be expelled or suspended from the squad or disciplined in other ways as seen necessary by the teacher or principal.

Grade checks will be completed a week before each contest or scheduled event. If a student has a D during grade check:

- The student may travel and participate in the event; however, if a teacher recommends that s/he stays at school, the student will not be eligible to participate in the scheduled events.

If the student has an F on the grade check:

- The student is not eligible to participate in the scheduled event. Mr. Miller will help assist you in tutoring sessions.

The Brothersvalley FFA members will:

1. conduct in a manner that will be a credit to the FFA, school, family and yourself.
2. abide by the FFA Code of Ethics as printed in the Official FFA Manual.
3. abide by any additional rules set for specific FFA event attending.
4. abide by the FFA Code of Conduct.
