Welcome Back Students!

It is with great excitement that we welcome the 2017-2018 school year and the Class of 2021 to the halls of Berlin Brothersvalley High School! BBHS has made a commitment to providing large opportunities in a small-school environment. Academically, we are proud to offer four Advanced Placement courses, over 70 college credits, and a variety of specialized electives in our program of study all led by a staff that is dedicated to student learning! We appreciate the tremendous community support of our academic, athletic, and performing arts programs! We are fortunate to have you be a part of our educational community. We look forward to another greatly successful school year that will see the Class of 2018 cross the stage in the spring!

Brian Thompson, BBHS Principal

Guidance Corner

Welcome back to the 2017 – 2018 school year! Both Mrs. McMillen and Mrs. Grasser are ready to help your child with his/her guidance and counseling needs. For most parents, the look and feel of the guidance office is much different for students than it was 'back in the day'.

The goal of the guidance office is to help students discover talents, skills, and abilities that will lead him/her into a career that is meaningful and a pleasure every day. Our theme this year is, "Life is an Adventure...Let's Map Out a Plan!" We will offer group and individual time to explore and prepare for careers, learn how to get and keep a job and how to use individual skills to create unique personal growth opportunities. We also offer personal counseling and agency referrals for issues impacting school performance.

In a school the size of BBHS, we take pride in getting to know all of the students on a personal level. In addition to helping students, we also are available to parents by phone or appointment to assist your student in navigating the future. If there is anything we can do to assist you, please don't hesitate to call. We are looking forward to partnering with you this school year.

Athletics Corner

The start of the new school year means that our favorite Mountaineer teams are back on the field and court! Fresh off of a state semi-final appearance, our girls' volleyball team begins their home schedule on Tuesday, September 5 against Shanksville.

On the grass, our Mountaineer soccer teams are expecting another run deep into the playoffs. Our boys open their home schedule on Friday, September 1 against Hyndman. The Lady Mountaineers kick off their home schedule on Tuesday, September 12 against Rockwood. Be sure to catch all the action at the Snyder of Berlin Sports Complex.

Under the guidance of Coach Paul, who enters his 15th year at the helm of the Mountaineer Football program, our football team kicks off their season on the road on Friday, August 25 against our rival Meyersdale Red Raiders.

Best of luck to all teams! Complete athletic schedules can be found by clicking [here](#).

WELCOME MS. HOLLY MONTGOMERY TO BBHS!

We are excited to welcome Ms. Holly Montgomery to the teaching staff at BBHS. Ms. Montgomery joins our science department and will teach 9th grade Biology starting this fall. Ms. Montgomery is a 2008 graduate of BBHS where she was a member of the basketball and track teams, as well as being in NHS, FFA, marching band, and school musical productions. Ms. Montgomery is a graduate of California University of Pennsylvania and has spent the past 4 years teaching near Charlotte, NC.
