Dear Parents/Guardians,

The Food Service Department will be starting a new program on February 25, 2019 called “Share Tables”. This program will allow students who do not want a specific item on their breakfast or lunch tray to place it on the Share Table in the cafeteria for other students to take to eat during the breakfast and/or lunch period.

Each Share Table will only be available for that specific breakfast or lunch period, then the food would be removed. The next group of students coming into the cafeteria would have a new Share Table. This idea was developed to allow students who are still hungry a chance to get more free food and help with food waste in the school cafeteria.

Share Table Program Rules

Only unopened pre-packaged items from student trays or fresh whole fruits that are not cut and exposed to air or bacteria are permitted. There will be an ice bin for unopened milk and juice containers. No Hot food items would be accepted. A temperature log, to assure safety, will be kept on all the cold items.

Students are encouraged to eat a healthy breakfast and lunch every day! Please, if you do not want to eat your entire tray- Share It!

If you have any questions, please call me at 814-267-4621 between the hours of 7:00 a.m.-3:00 pm.

Thank you for your time and attention on this matter,

Mrs. Catherine Berkebile – Food Service Director
