

**PLEASE READ CAREFULLY!!!!**

HELLO! We found out from our administration that we will need to grade your work. On a separate piece of paper, let us know what you did for the week. **We will be grading you on your participation.**

**This is how you will be graded:**

Write a **short report** to let us know what you did each week. A SAMPLE weekly report is below. Please **photograph** what you have written for the week and send it to your **homeroom teacher**. **Your homeroom teacher will then share your work with the other 4<sup>th</sup> grade teachers so you will not have to report to all three teachers (unless you have any questions)!** You can send it through **email**, the **Remind** app, or through **text message**. If you are unable to do that, please make other arrangements with your homeroom teacher.

Once we get your photo, we will enter your participation grade. Please send the photo by **FRIDAY at midnight** of each week. The only thing you will need to turn in at the school is your **JOURNEYS READER** and **WATER BOOK at the end of the year.** We are trying to do everything electronically, if possible.

**Here's an example of what you need to write on a separate piece of paper each week:**

In **ELA** this week, I read the following story in my Journeys reader, \_\_\_\_\_ and did the six workbook pages.

Please **write** two other ELA activities that you chose to do this week.

- \*Exact Path – ELA or Reading
- \*Read a book of my own choice
- \*Read a newspaper or magazine

In **Math** this week, one problem that was challenging, or one problem that was simpler to complete, was:\_\_\_\_\_

In **Science**, I read my packet on Earth's Water, completed the study guide, and completed the quiz. **\*PLEASE CONTINUE->**

**PLEASE READ CAREFULLY!!!!**

Thank you for all of your positive messages! We are trying to deliver quality education in a way we all are not exactly used to, but it seems that we are all making it work thus far! THANK YOU PARENTS AND GUARDIANS! WE APPRECIATE ALL YOU'RE DOING AT HOME.

Again, here are the ways to contact your child's teacher.
