

Design a T-Shirt Contest

Birthright of Somerset will award a prize of \$1000.00 to the student who provides the winning entry of a printable T-shirt design. This design should reflect pro-life values and may be used to promote Birthright of Somerset. There will also be a second-place prize of \$750.00. The awards have increased, hopefully encouraging more students to apply. Students are encouraged to use their creativity in designing the T-shirt.

Award Criteria

- This contest is open to students in the 9th, 10th, 11th, and 12th grades who live in Somerset County. Students may go to a public school, a private school, or may be home-schooled.
- Shirt design should be on an 8" x 10" sheet of paper and can be but doesn't have to be, front and back.
- Students may contact the Birthright office @ 445-9300 or visit our website or Facebook page to get information about Birthright.
- Design entries should not reflect the student's name but the student's name should be on the application.
- Applications may be picked up at your high school guidance office, at most churches in the county, or at the Birthright office.
- Please send or deliver your entry along with the application to the Birthright office by Tuesday March 31, 2020.
- Incomplete or late applications will not be considered.

Thank you
