

## **Mike Rowe Work Ethic Scholarship Program -**

<https://www.mikeroweworks.org/scholarship/>

The hardworking people who keep the lights on, water running, and air flowing—the next generation of skilled workers who will work smart and hard.

The Work Ethic Scholarship Program is about recognizing the people who understand the importance of personal responsibility, delayed gratification, a positive attitude, and, of course, work ethic. These are the folks we consider rock stars, and we want to reward them.

We're now accepting applications for the 2020 Work Ethic Scholarship Program. If you want to help us make work cool again, check out the details below and apply now.

The Work Ethic Scholarship Program is about recognizing the people who understand the importance of personal responsibility, delayed gratification, a positive attitude, and, of course, work ethic. These are the folks we consider rock stars, and we want to reward them. The scholarship is for those entering the skilled trades.
