

2025-2026 7th/8th Science supply List

1. Spiral bound (not stitched) Five Star interactive notebook. College ruled. This is not a typical 99-cent notebook. Guaranteed to last all year. Heavier weight paper.

Screenshot attached. If you look on amazon, you can get them in bundles of five or six for a lot less per notebook. That would be a way to save money if parents wanted to go together with friends and split the cost.

2. 1.5" binder.

3. Color gel pen
