New Elementary Cafeteria Option

Beginning February 8th, the Food Service Department will offer the option for elementary students in grades 2-4 to purchase extra food and drink items from the cafeteria tray line on a trial basis. The items available for purchase will be as follows: one entrée, veggie, fruit, milk or small water bottle per student each day. Students purchasing meals must buy the extra food items in the regular tray line and packers may purchase items after the buyers are through the line. Elementary students may purchase items off the tray line only. They are not permitted to purchase items from the MS/HS ala-carte rack.

The child's lunch account must have available money in order for them to purchase these extra food items. Deposits may be made on-line or check/cash sent with the child in an envelope, marked with the student's name, and deposited into the wooden box outside of the Elementary School office. If the child's account is negative, they will not be permitted to purchase extra food items.

This trial will be re-evaluated in May to determine if it will continue to be offered next school year.

If you have any questions please call, Mrs. Cathy Berkebile at 267-6950 between the hours of 7:00 a.m.-3:00 p.m.

Thank you,

Mrs. Cathy Berkebile
BBSD Food Service Manager
