

**What limits would you put on cell phone/technology usage
for Students K-4?**

No students k-4 should have access to cell phones during the school day.
Students should be allowed to have phones with them but not use them during instructional time
No cell phones allowed
Not allowed only before and after school
No cell phone usage - technology incorporated into some lessons as for the basics of how to use and how to be a good cyber citizen
As many limits as possible. There is no need for K-4 students to access cell phones during the school day.
No phones
No phone until 8th period.
All phones put away during class times
DONT BRING THEM TO SCHOOL
Cell phones do not leave book bags. Technology should be utilized to enhance their educational experiences.
None
No phones at
Not allowing them to have at this age.
Strict no cellphone policy, limited use of devices.
Hold students accountable
Cell Phones should not be in the classroom for any reason at all. Parents should contact the school if they need to be in contact with the student.
No students k-4 should have access to cell phones during the school day.
The value of paper/pencil engagement should be considered at these younger levels to promote fluent writing skills.
No cell phone usage permitted
No cell phones. Technology only when requested by the teacher.
No cell phones just school provided device
Cell phones are not needed in these grades.
No cell use during school
no phones

No cell phones at all in class. Technology only for learning purposes.

Children this age have no need for a cell phone in school
No phones in the classroom. Limited use of tablets for specific instructional purposes.
This age should not have cell phones
No cell phone usage during the day. Device, if present, stays in backpack.
no cell phones
No Cell Phones
I believe the use of technology such as computers and ipads is important but I dont think cell phones should be allowed to be used in the classroom
Cell phones in bookbags if needed for wherever they go after school. Not out or visible during school hours. Technology on school devices only and only at teacher discretion.
Cell phones should not be available for K-4 students. If completely necessary, they must stay in backpacks all day to be used before or after school. Technology on school devices should be only used as teacher deems necessary.
They should not have cellphones in classroom
Students who're that age don't need a cell phone in school at all. They shouldn't need the chromebooks/ipads much either. The devices should be kept at school unless needed at home for an assignmen/FID day.
no cell phones
Students phones need to be kept in their backpack and turned off during school hours.
No cell phone use unless teacher requires it. Technology use for instructional purposes, not games at recess, etc.
Keep it in your backpack, turned off...if you MUST have it..
Cell phones should remain in student backpacks (unless being used as a medical device or granted special permission). When students are on school issued devices during class time, teachers should be actively monitoring students on their laptops via "lightspeed".
Clean Classroom-Prohibit
NO cellphones

No cell phones/technology unless requested by the teacher
no cell phone/ limited technology
Fully limited.K-4 students should not be using cel phones during the school day.
A hour a day! There should not be cell phones. Just school tablets.
No phones in classrooms/limited technology especially for testing
students should not use phones; school provided technology only with teacher permission
Only use when the educator instructs students to do so.
Students do not need to have cellphones during the school day.
kept in bookbag/not on student
No cell allowed
No usage
cell phones stay in bookbags turned off
