Dear Parent/Guardian:

Your student has requested a course change in his/her schedule for the 2022-23 school year. Since your student's current schedule was created following a meeting with our school counselor and your approval was indicated by your signature, schedule changes will only be made under the following conditions:

- (1) **Scheduling error**—Schedule is inconsistent with course selections verified with your signature.
- (2) **Add or Exchange a course**—Determined by the availability of the course and classroom space.

The scheduling of students and teacher assignments for the 2022-23 school year was determined by original student course requests. Therefore, the student must have a legitimate reason for a schedule change to be considered. Please complete the following information and return the completed form to the BBHS office.

PLEASE NOTE: The summer drop/add period begins on Monday, August 15, 2022 and concludes on Friday, August 19, 2022. Any other schedule change requests can be made from Tuesday, August 30-Friday, September 9. Schedule change forms will not be accepted from August 22-29.
