Volume 4, Issue 1

As those last few days of summer vacation wind down, it is my hope that everyone had a safe, relaxing summer vacation. As many of you are aware, during last school year our school district has been going through a building project. The improvements made to the entire facility make Berlin Brothersvalley School District the icon in Somerset County. Everyone should be pleased with the much needed improvements to our campus. All major construction to the building is in the final stages of completion. Only a few minor details remain which will allow students and staff members to get back into that familiar routine. I encourage everyone to take a tour of the new facilities to see exactly how spectacular our school district has become.

New Faces at B.B.M.S.

The start of a new school year usually brings new faces to a school district which is just the case at B.B.M.S. Mrs. Casey Montgomery will join the fifth grade staff members. Mr. Bob Bowers and Ms. Cathy Kaufman have been added to the sixth grade. Ms. Erin Lahm, replaces Ms. Jennifer Shuty in the music department. Mr. Bob Paronish replaces Mr. Dave Ebersole as the art teacher. Mr. Brian Thompson will provide computer instruction to the seventh and eighth graders.

Familiar Faces but "NEW" Places

Some familiar staff members have been reassigned to a new position. Mr. Joe Shubik has become the elementary phys. Ed. Teacher while Mr. Doug Paul has

moved to the high school. Ms. Tiffany Yachere has moved from sixth grade to the M.D.S. teacher. Ms. Ashley Shaffer was married over the summer. She is now known as Mrs. Ashley Morgart. Pronounced "Morgit."

Quote of the month

"If you try, you've tried. If you fail, you've failed, rather than failed at trying."
