secondary
certificate

FIRE FIGHTER

AGRICULTURAL SCIENCES

DAILY TASKS

Feed, care for, monitor zoo animals, conduct tours and field trips, maintain records

WORK PLACE

Zoo or wildlife refuge

TOOLS

Feeding equipment, specimen containers, computers, safety equipment

SKILLS

Critical thinking, monitoring animals, using scientific method, working well under pressure, attention to detail

WORK VALUES

Cooperation, dependability, integrity

EDUCATION

4-year college degree or post-graduate degree

ZOOKEEPER

DAILY TASKS

Water plants, trim trees, plant seeds and more

WORK PLACE

Outdoors in gardens, lawns, and greenhouses

TOOLS

Fertilizer, gardening tools such as rakes and shovels, watering cans, and more

SKILLS

Using hands, gently caring for plants, planning, knowledge of plant life cycles

WORK VALUES

Conservation, dependability, attention to detail

EDUCATION

High school diploma

GARDENER

DAILY TASKS

Conduct field trips, protect scientific, historic, and natural landmarks

TOOLS

Radios, canoes, all terrain vehicles

WORK PLACE

Forests, parks, offices

SKILLS

Public speaking, problem solving, protecting resources, collecting information

WORK VALUES

Cooperation, dependability, conservation, responsibility

EDUCATION

4-year college degree

FOREST RANGER

DAILY TASKS

Purchase flowers from growers, arrange flowers in bouquets or displays, interact with customers

WORK PLACE

Floral shop

TOOLS

Flowers, watering cans, floral cutting equipment, vases, wreaths, and more

SKILLS

Creativity, artistry, designing arrangements, active listening, customer service

WORK VALUES

Creativity, relationships, artistry, helping others

EDUCATION

High School diploma

FLORIST

DAILY TASKS

Catch fish,
drive boats,
store fish on
ice, clean fish,
take care of
fishing gear

TOOLS

Fishing poles,
fishing hooks,
boats, ice
chests,
fishing line

SKILLS

Coordination,
strength, quick
reaction time,
patience

EDUCATION

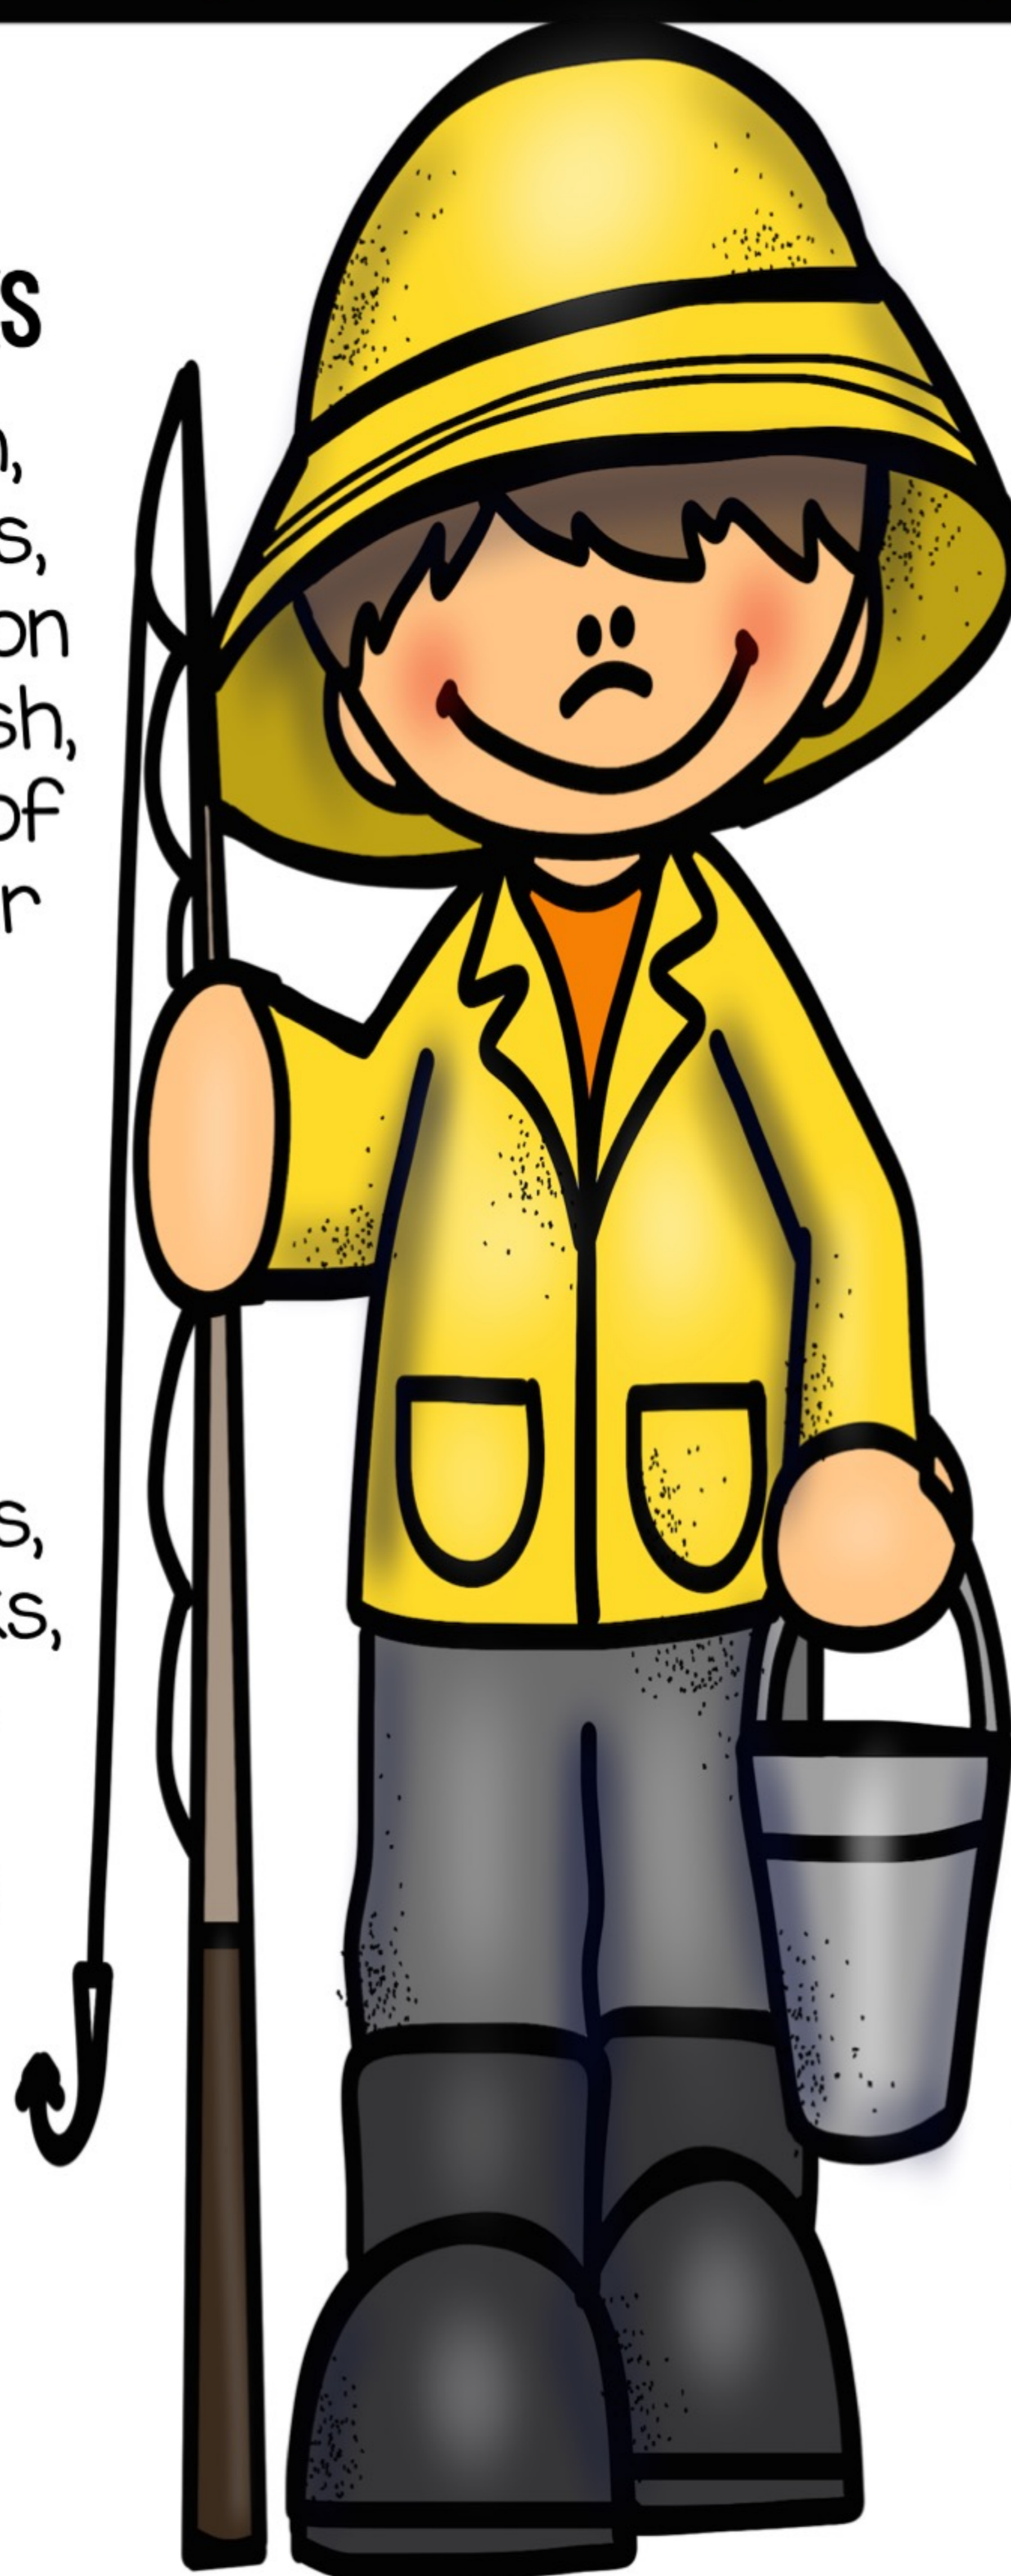

High school
diploma

WORK PLACE

Fishing boats,
docks

WORK VALUES

Independence,
relationships

FISHERMAN

DAILY TASKS

Plant,

systems and
software
designs,
gathering
information

WORK VALUES

Independence,
achievement,
creativity

TOOLS

Computers,
software
development
programs,
Internet
servers, and
more

EDUCATION

4-year
college
degree

COMPUTER PROGRAMMER

DAILY TASKS

Conduct experiments, analyze findings, and make recommendations based on findings

TOOLS

Test tubes, beakers, safety goggles, protective equipment, spectrometers, and titration equipment

WORK PLACE

Research laboratories

WORK VALUES

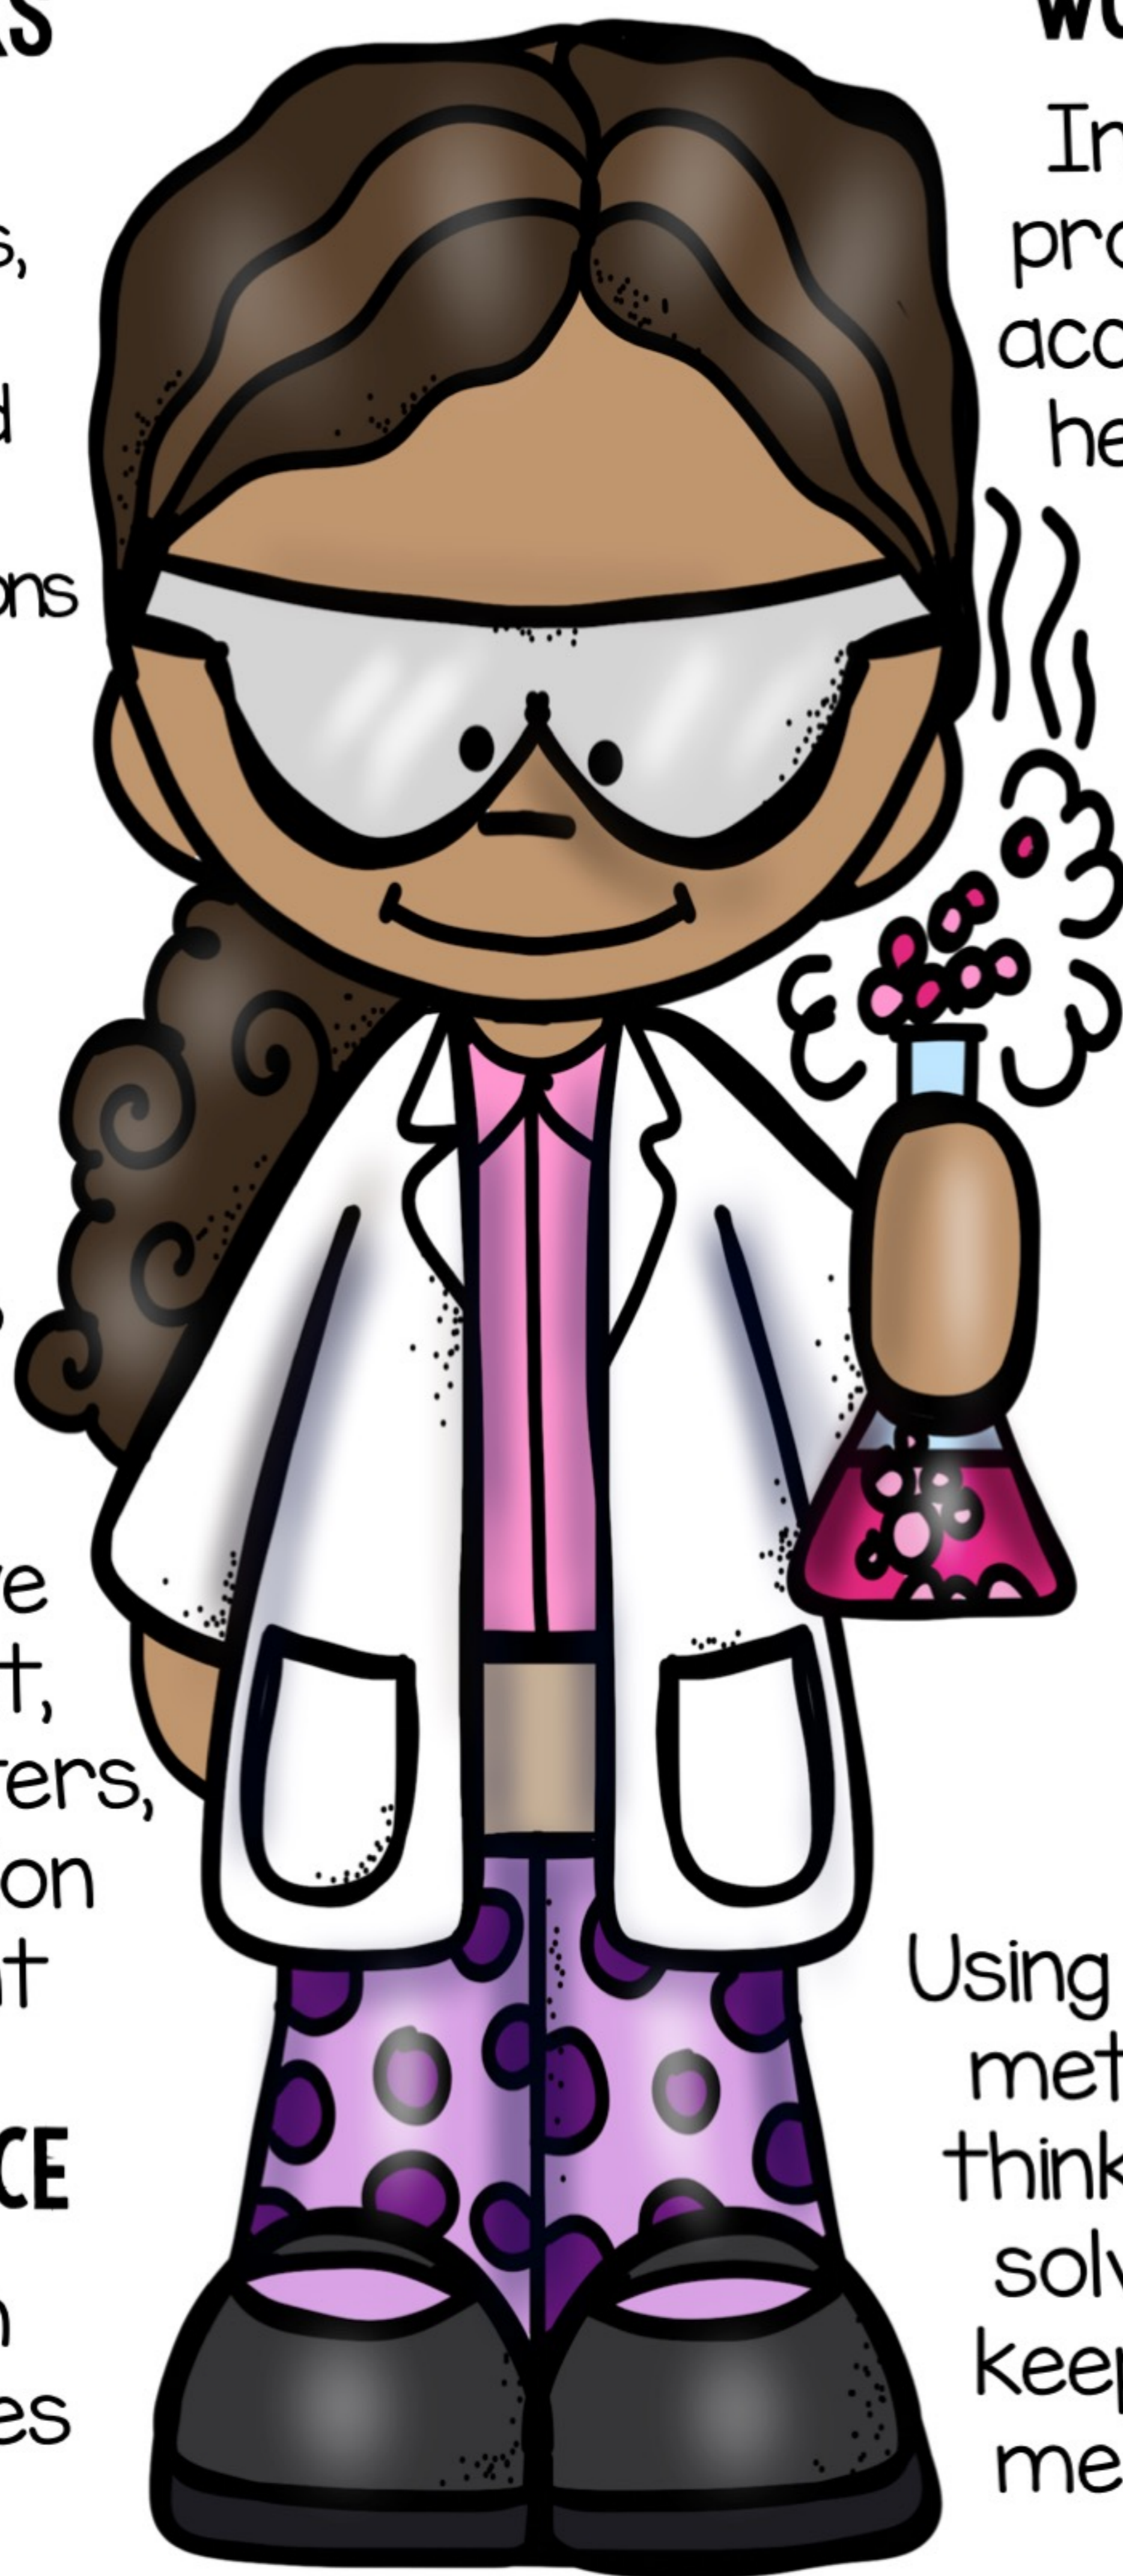

Independence, problem solving, accomplishment, helping others

EDUCATION

4-year college degree or doctoral degree

SKILLS

Using the scientific method, critical thinking, problem solving, record keeping, precise measurement

CHEMIST

DAILY TASKS

Report local or regional weather conditions, interpret data and maps

WORK PLACE

News station or weather lab

TOOLS

Thermometers, maps, barometers, radar systems, rainfall gauges

SKILLS

Recording and interpreting scientific data, public speaking

WORK VALUES

Critical thinking, dependability, attention to detail, relationships

EDUCATION

4-year college degree or Master's degree

METEOROLOGIST

DAILY TASKS

Draw plans for buildings, create scale models of plans, and prepare contracts

WORK PLACE

Office space and building sites

TOOLS

Drafting tools, building design software, and blueprints

SKILLS

Listening, problem solving, creativity, understanding of physics and building structures, visualization

WORK VALUES

Creativity, enterprising, initiative, integrity, dependability

EDUCATION

4 year college degree or Master's degree

ARCHITECT

DAILY TASKS

Create ideas for games, characters, displays, graphics, challenges, and game play, work with development teams,

TOOLS

Computers, graphic design software, game consoles, and more

SKILLS

Computer programming, creativity, working in a team

WORK VALUES

Creativity, teamwork, and innovation

WORK PLACE

Company or home office

EDUCATION

4-year college degree

VIDEO GAME DESIGNER

DAILY TASKS

Measure building equipment, read building plans or blueprints, use building tools to create furniture, buildings, and other woodwork.

TOOLS

Saw, hammer, tape measure, nails, screwdriver, level, and more

SKILLS

Measuring, attention to detail, following directions, creativity

WORK VALUES

Independence, problem solving, accomplishment

WORK PLACE

In-home building space, construction site

EDUCATION

High school diploma, post-secondary certificate

CARPENTER

DAILY TASKS

Install electrical wiring, test, inspect, and repair electrical systems

SKILLS

Math, problem-solving, understanding of mechanical systems

WORK PLACE

Homes and community buildings

WORK VALUES

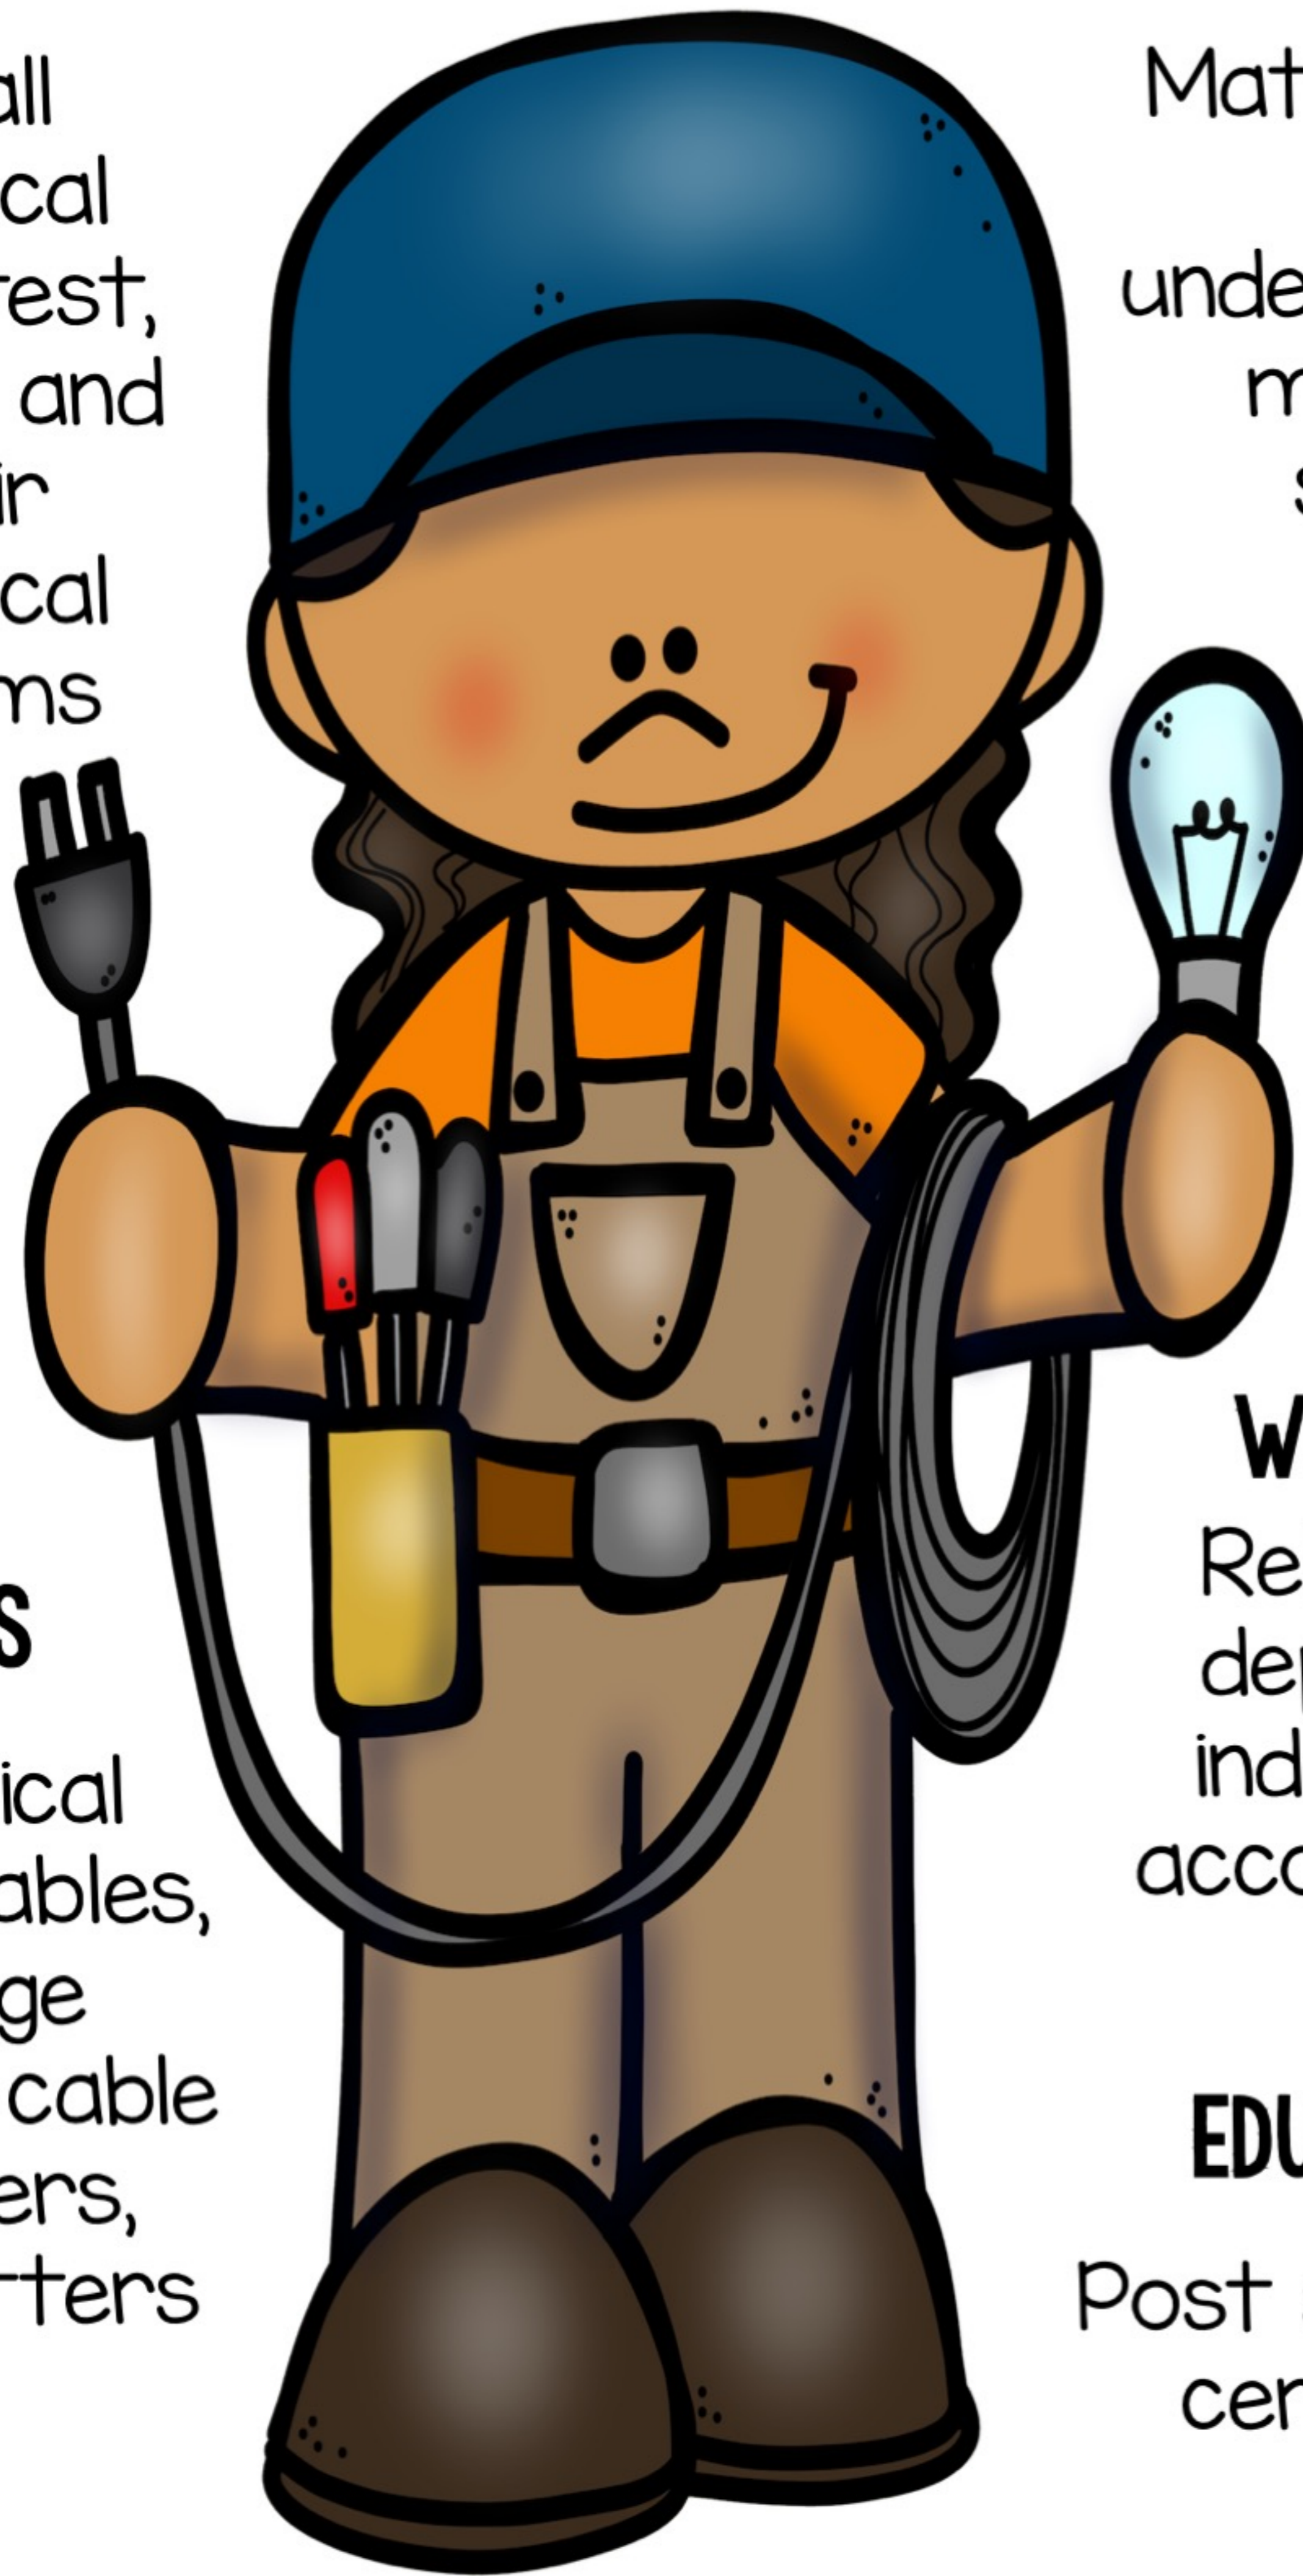

Relationships, dependability, independence, accomplishment

EDUCATION

Post secondary certificate

TOOLS

Electrical wiring, cables, voltage meters, cable strippers, wire cutters

ELECTRICIAN

DAILY TASKS

Measure land areas, collect data, calculate distances, heights, and areas, prepare reports

WORK PLACE

Outside in the community

TOOLS

Measurement lasers, levels, computer software

WORK VALUES

Responsibility, dependability, integrity, independence

SKILLS

Mathematical calculations, organization, record-keeping, precision

EDUCATION

4-year college degree

SURVEYOR

DAILY TASKS

Carefully use drills, measure oil levels, observe pressure gauges, use tools

WORK PLACE

Oil fields and oil rigs

TOOLS

Drills, detonators, hard hats, pumps, safety equipment

SKILLS

Using machinery, operation and control of machines, monitoring equipment, hand strength, problem solving

WORK VALUES

Dependability, leadership, cooperation

EDUCATION

High school diploma

OIL WORKER

DAILY TASKS

Navigate the ship, clean the boat, hoist the sails, dock the boat, and more.

WORK PLACE

Ships and shipyards

TOOLS

Sails, hoists, anchors, navigation systems, radios, and more

SKILLS

Mechanical skills, operating machinery, listening, cooperation, physical strength

WORK VALUES

Cooperation, attention to detail, dependability, stress tolerance

EDUCATION

High school diploma or 4-year college degree, depending on rank

SAILOR

DAILY TASKS

Fly aircraft,
use navigation
equipment,
monitor
engines,
communicate
with flight
crew

WORK PLACE

Airplanes

TOOLS

Navigation
systems,
airplane
controls,
airplane
computer
systems,
radios

SKILLS

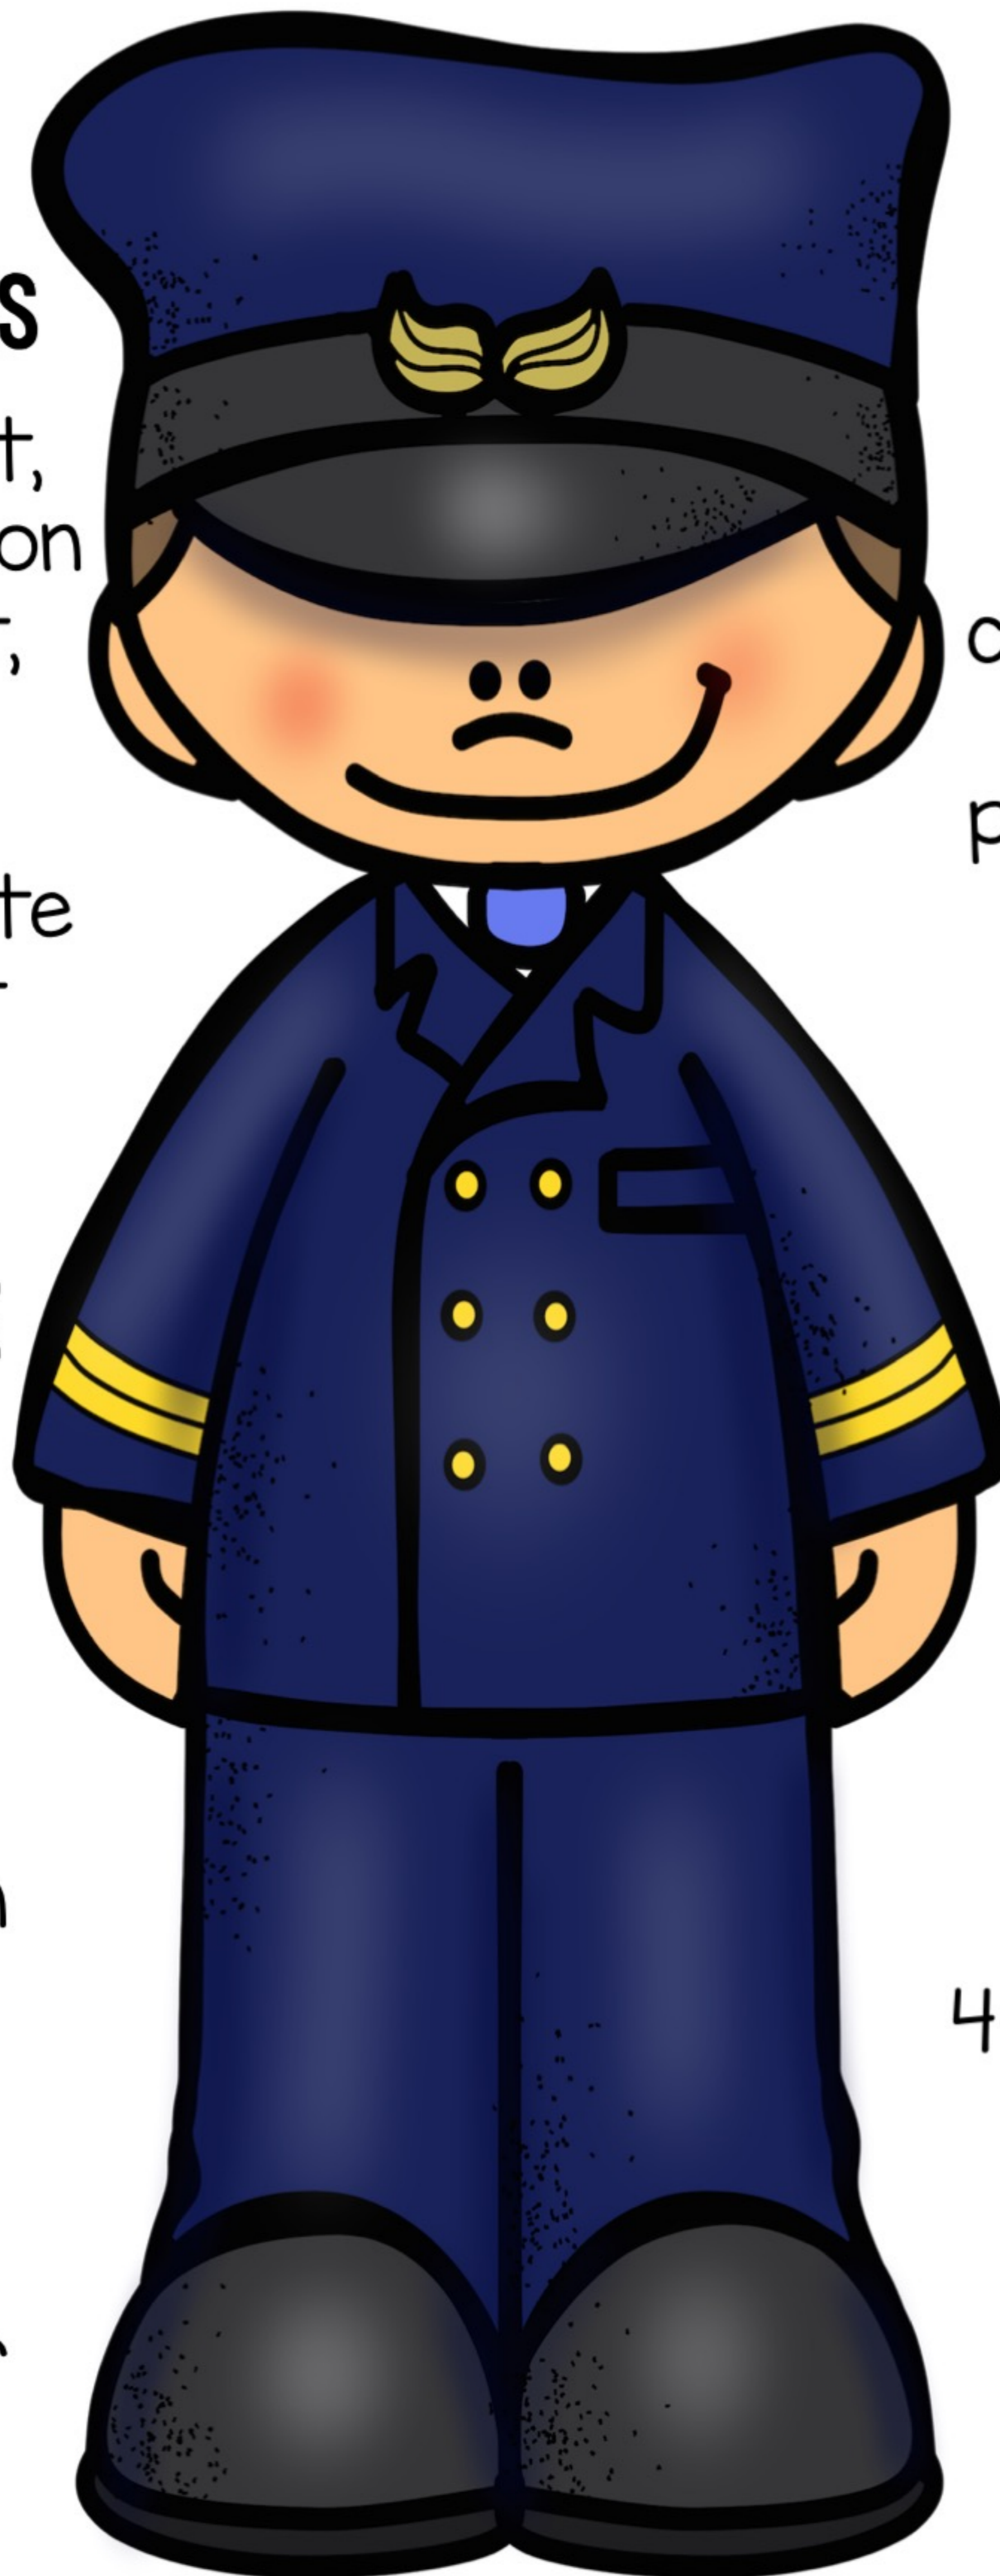

Navigation,
attention to
detail,
communication,
listening,
problem solving

WORK VALUES

Dependability,
cooperation,
independence,
attention to
detail

EDUCATION

4-year college
degree

PILOT

DAILY TASKS

Assemble and install pipes, fix pipes, toilets, and other plumbing fixtures

WORK PLACE

Homes, offices, and other buildings

TOOLS

Pipe cutters, drain cleaning equipment, wrenches, plungers, and more

SKILLS

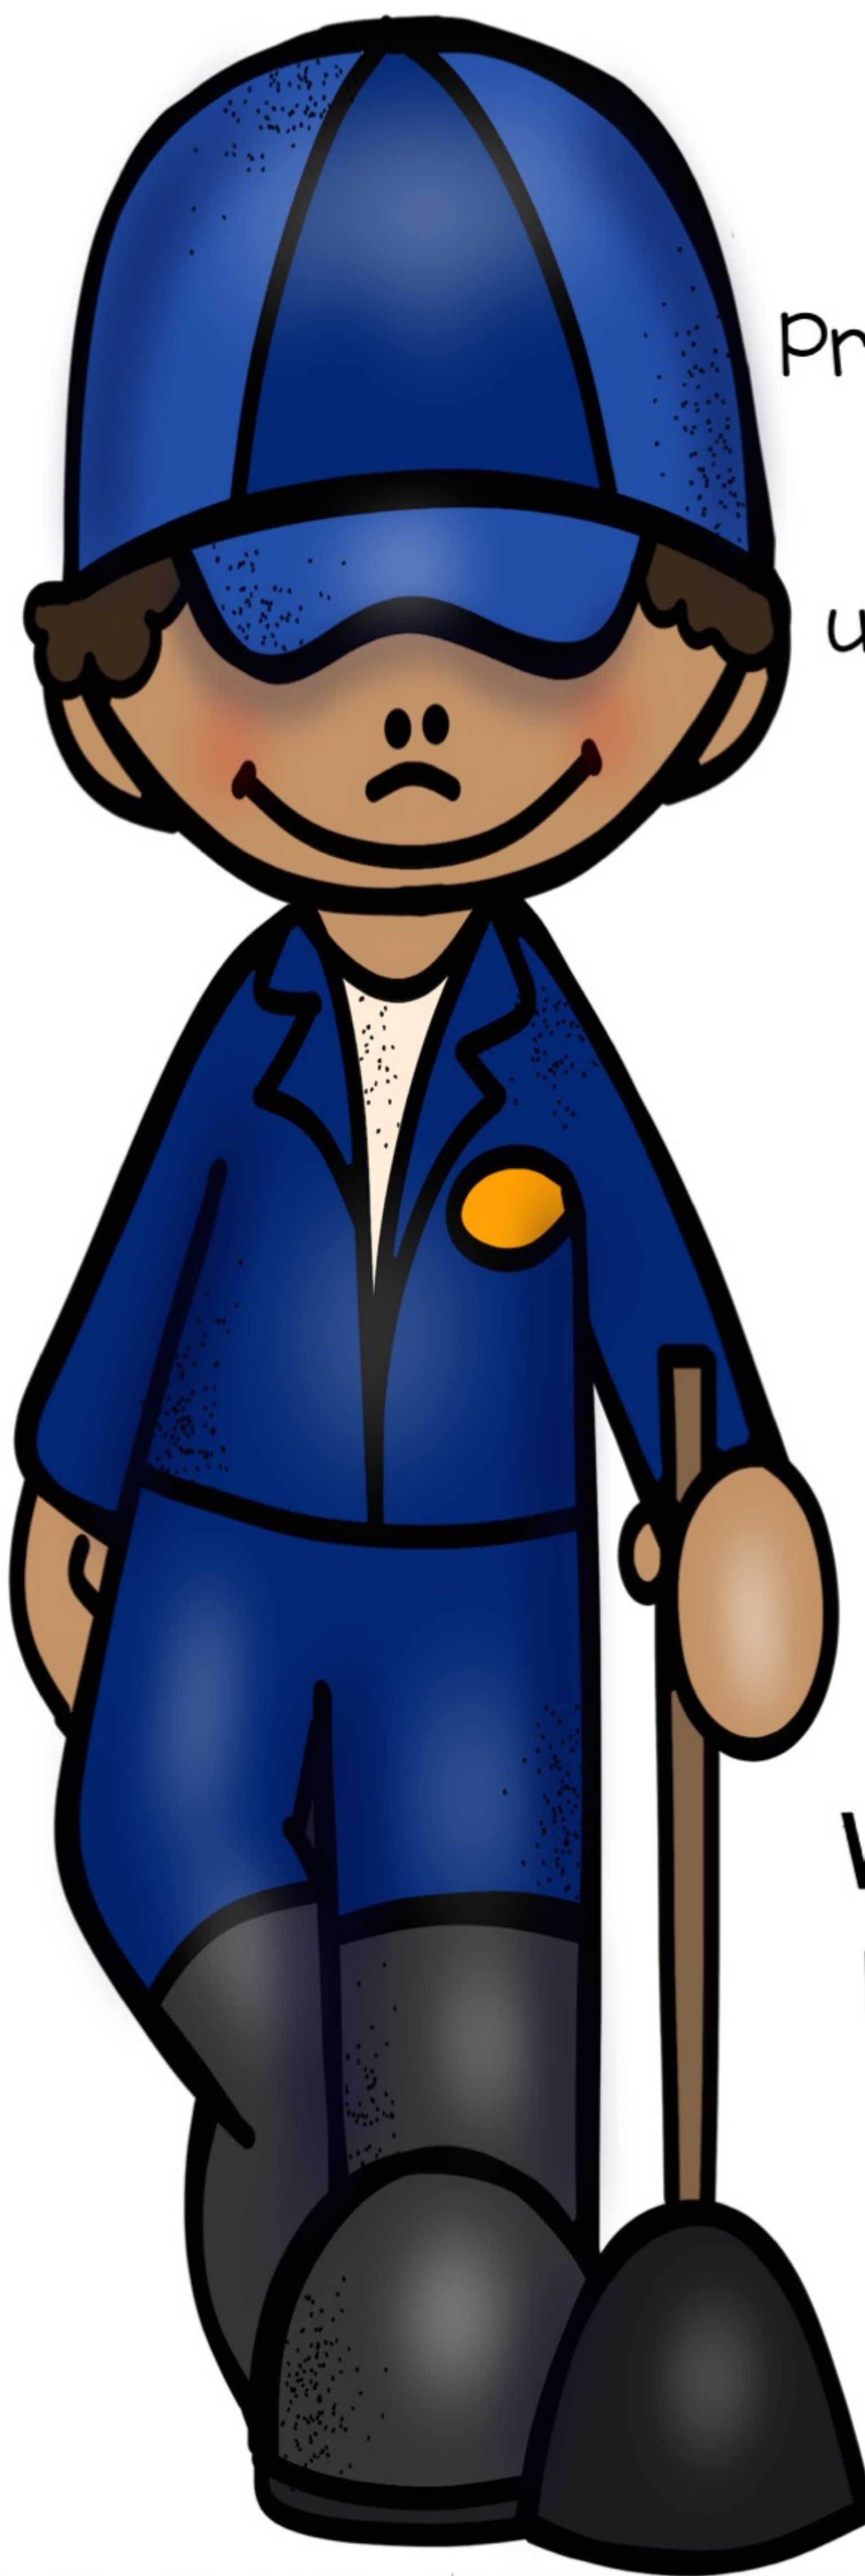

Problem-solving, customer service, understanding tools and equipment, listening, strength

EDUCATION

Post-secondary certificate

WORK VALUES

Dependability, attention to detail, flexibility, integrity

PLUMBER

DAILY TASKS

Collect and analyze data, conduct experiments, prepare reports, present findings

TOOLS

Microscopes, telescopes, notebooks, computers, and more

WORK PLACE

Laboratories and communities

SKILLS

Critical thinking, listening, using scientific method, attention to detail, organization

WORK VALUES

Independence, investigation, attention to detail, dependability, initiative

EDUCATION

4-year college degree, post-graduate degree, or doctoral degree

SCIENTIST

DAILY TASKS

Clean and assemble weapons, participate in drill exercises, do physical activity, patrol areas

WORK PLACE

Military bases, training areas, and places around the world

TOOLS

Weapons, vehicles, backpacks, and more

SKILLS

Following directions, physical strength, listening, communication

WORK VALUES

Dependability, integrity, concern for others, teamwork

EDUCATION

High school diploma or 4-year college degree, depending on rank

SOLDIER

DAILY TASKS

Read blueprints, coordinate materials, measure materials, build, install plumbing, and more

WORK PLACE

Construction sites

TOOLS

Forklifts, axes, saws, hammers, screwdrivers, concrete mixers, drills, and more

SKILLS

Building, cooperation, and strength

WORK VALUES

Attention to detail, dependability, cooperation

EDUCATION

High school diploma

CONSTRUCTION WORKER

DAILY TASKS

Clean and assemble weapons, participate in drill exercises, do physical activity, patrol areas

WORK PLACE

Military bases, training areas, and places around the world

TOOLS

Weapons, vehicles, backpacks, and more

SKILLS

Following directions, physical strength, listening, communication

WORK VALUES

Dependability, integrity, concern for others, teamwork

EDUCATION

High school diploma or 4-year college degree, depending on rank

MARINE

DAILY TASKS

Inspect and repair vehicles, change oil, replace and rotate tires

TOOLS

Drills, wrenches, screwdrivers, car lifts, air compressors, battery testers, and more

SKILLS

Fixing things, attention to detail, troubleshooting, hand strength, problem solving, customer service

WORK VALUES

Integrity, dependability, independence, supporting others

EDUCATION

Post-secondary certificate

WORK PLACE

Garages and car dealerships

MECHANIC

DAILY TASKS

Operate mining machines, gather coal and gemstones

WORK PLACE

Mines

TOOLS

Hard hats, jacks, power drills, tape measures and more

SKILLS

Operation and control of machines, critical thinking, repairing, hand steadiness, attention to detail

WORK VALUES

Dependability, flexibility, leadership

EDUCATION

High School diploma

MINER

DAILY TASKS

Plan and coordinate air field operations, fly aircraft

TOOLS

Radios, mechanical tools, safety glasses, and more

WORK PLACE

Military bases, air fields, flight decks

SKILLS

Working well under pressure, critical thinking, problem solving

WORK VALUES

Supporting others, dependability, attention to detail, integrity

EDUCATION

High school diploma, vocational school, or 4-year college degree depending on rank

AIRMAN

DAILY TASKS

Perform scientific experiments, repair space stations

WORK PLACE

Scientific laboratories, space stations, space ships

TOOLS

Calculators, satellites, mechanical tools

SKILLS

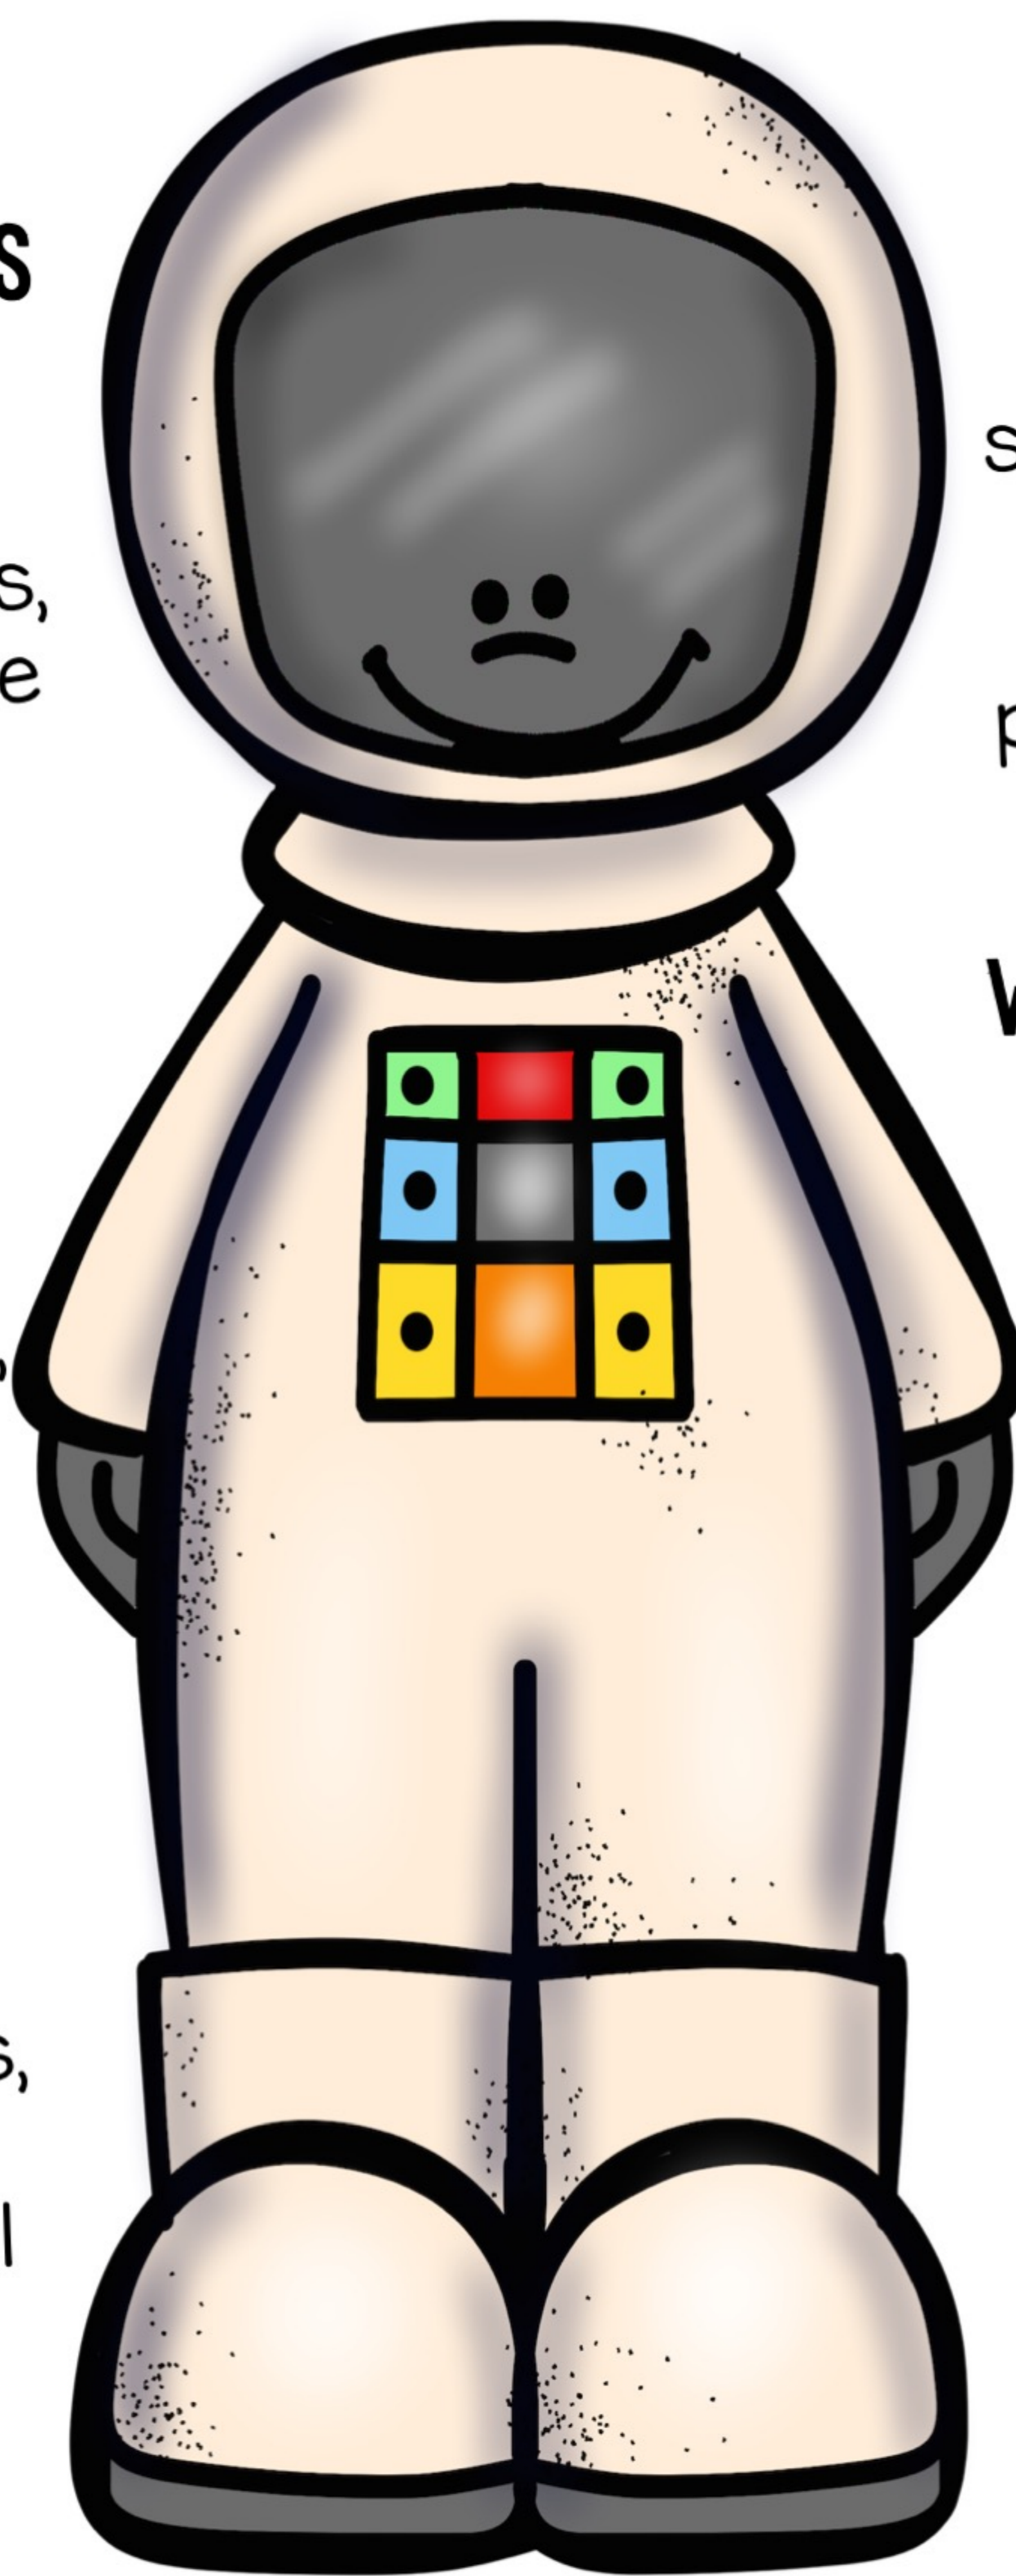

Recording scientific data, performing demanding physical tasks

WORK VALUES

Achievement, solving problems, exploring new worlds

EDUCATION

4-year college degree

ASTRONAUT

DAILY TASKS

Steer and dock boats, use radios, understand radar, navigate

TOOLS

Radios, radar, large machinery, gears, GPS

WORK PLACE

Ships and shipyards

SKILLS

Working well under pressure, critical thinking, problem solving

WORK VALUES

Supporting others, dependability, leadership, attention to detail, integrity

EDUCATION

High school diploma, vocational school, or 4-year college degree depending on rank

COAST GUARDSMAN

DAILY TASKS

Read blueprints, drawings, or reports, research, design, and operate products

TOOLS

Computers, computer software, calculators, force sensors, and more!

WORK PLACE

Offices, job sites, and laboratories

SKILLS

Critical thinking, using scientific method, reasoning, creativity, attention to detail

WORK VALUES

Cooperation, dependability, innovation

EDUCATION

4-year college degree

ENGINEER

COMMUNICATION ARTS

DAILY TASKS

Maintain organization systems, teach classes, help people find books, organize reference materials

TOOLS

Computers, bar code readers, filing systems

WORK PLACE

Schools and public libraries

SKILLS

Organization, research, customer service, reading comprehension, listening, communication

WORK VALUES

Attention to detail, integrity, concern for others

EDUCATION

Master's degree

LIBRARIAN

DAILY TASKS

Create art using various mediums to express one's self or to tell a story

WORK PLACE

Anywhere the artist feels creative

TOOLS

Paint brushes, paint, clay, paper, smock, canvases and more!

SKILLS
