

Middle School Guidance

Thank You, Thank You, Thank You!

May 2009

Volume 6, Issue 10

As the 2008 - 2009 school year comes to a close, I cannot help but appreciate the many great individuals that make Berlin Brothersvalley Middle School a top notch educational facility. Personally, I have the greatest job in the world! I have the opportunity to interact daily with fantastic students. Even though some may experience difficult times within their lives throughout the school year, they are able to bounce back to some form of normalcy. To all B.B.M.S. students - Thank You! I would be remised if I did not mention our wonderful parents. I appreciate your support of our school as well. Parents have, in my opinion, the most difficult job in the world! There is no job more important nor more rewarding than rais-

ing a child. My hat is off to each and everyone one of you. Thank you for doing the best job you can! To the Berlin Brothersvalley Middle School Staff, what can I say? You are a class-act, top-notch professionals! Your efforts within the classroom are far-reaching and have a lasting impact upon our student population. Rest assured, students leaving our school have earned a quality education. I applaud your efforts, enthusiasm and desire to mold the young minds that pass in and out of your classrooms! The honor is truly mine to be working with each and everyone of you! We have a special school which is a direct reflection to our tremendously talented staff. You are the

BEST! I also want to thank the administration and school board at Berlin! Without your continued support and guidance, our school would not be the icon in Somerset County. Thank you, for all you do!
