Middle School Carnival

June 2008

On May 29, 2008 the Middle School Student Council held the second annual carnival. Elementary students were invited this year to participate. Elementary students were rewarded with a ticket for every twenty-five A.R. points earned to use at the carnival. The following activities were available to students: duck pond, bowling, lucky lollipops, bingo, darts, basketball shot, pie throw, rock climbing wall and a dunk tank. Due to the success, we are looking to incorporate the AR program into this event again next year and make the carnival bigger and better for all the students. The money earned from this endeavor will allow the student council to continue to support worthwhile events for the 2008-2009 school year. A big "thank-you" to the administration, teachers, assistants and students for their assistance.
