## Success for 2006 - 2007!

May 2007

As we get ready to say "good-bye" to the 2006 - 2007 school year, there are many successful stories that could be written about. I believe that it is important to first, and foremost, thank the parents and students. The cooperation and effort from parents and students respectively only reinforces the fact that the Berlin Brothersvalley School District is one of the best, if not the best, places to educate students. The Berlin School Board and administrative team also deserves credit for the success that was experienced during the school year. Finally, the main ingredient that made the 2006 - 2007 school year a huge success - our devoted staff members! Without their

dedication, professionalism, enthusiasm and overall concern, this would have been just an ordinary school year. There were so many new ideas that were explored this year, that really set the 2006 - 2007 school year apart from other years. Both students and staff members benefited from the many new ideas that were brought to the table and implemented this past year. If you were to ask a middle school student to name something that was exciting and refreshing that happened this past school year, I'm positive there would be a rather lengthy list of activities that resonated with them. With all of the new ideas that were tried and were a

big success, it makes me believe that things are only going to improve even more during the 2007 - 2008 school year. Once again, "THANK YOU" for a terrific school year at B.B.M.S. Enjoy your summer vacation, you all have earned it!
