

Middle School Guidance

March 2005

B.B.S.D. Building Project

Volume 2, Issue 8

Students and staff will soon begin to see signs of the Phase three building project at Berlin Brothersvalley School District taking place. Starting on March 4, 2005 the eighth grade lockers will be moved from their present location in the relocatable hallway to the hallway outside of Mr. Kretzman's room. Another big change will take place sometime in the middle of the month is the repositioning of the middle school office, the middle school guidance office and the two classrooms located in the relocatables (Reading classroom and computer lab). The middle school office will be moving into the current guidance office, while the guidance office will be located in the alcove next to Miss Shaffer's room. The middle school computer lab will be shar-

ing class time with the elementary computer lab. The Reading classes of Mrs. Smith will be held in the available high school and middle school classrooms. Two of Mr. Uphouse's classes will be using the Vo. Ag. Classroom and a classroom in the high school. The "tunnel" which has made Berlin Brothersvalley very unique will also be removed at a later date. Removal of the relocatable classrooms is scheduled to take place around the end of March, with no classes being held in these classrooms after March 19, 2005. Quote of the month

"Equation for Success:
Goal = (Where you want to be - Where you are today) / Time + Effort that you are willing to invest."

(Jason Pichette)

**HAPPY ST.
PATRICK'S DAY**

Points of Interest:

- ✓ - Absent from school? Check out the teacher lesson plans by logging in to the Logic House Parent Portal.
- ✓ - Excuses are due the day students return to school. A grace period of three days is allowed before becoming illegal.
- ✓ - Bullying information can be found at: <http://www.bbsd.com/bullying>
