Lori Gindlesperger
Business Manager

Dear Parents/Guardians:

We are pleased to inform you that the Berlin Brothersvalley School District will be participating in the Seamless Summer Option (SSO) in the 2021-2022 school year.

All enrolled students of the Berlin Brothersvalley School District are eligible to receive **ONE** nutritional breakfast and **ONE** lunch each school day at no charge to your household. **Please note: fees will be applied to student accounts for any additional breakfasts, lunches, and/or ala carte items that are purchased each day. Student accounts must reflect a positive balance in order for such additional purchases to be made.**

We are encouraging families to continue to fill out the attached application. **P-EBT and other benefits are based on a student's Free & Reduced status.** If the application is not submitted, the student will default to PAID status, unless they are Direct Certification, and will miss receiving these benefits.

This benefit will come to an end after the 2021-22 school year unless USDA decides to end it earlier. Parents should be proactive in completing the Free & Reduced application and therefore making the transition back to Free & Reduced easier. In order to maintain other benefits for your family, such as the **P-EBT program**, you will need to complete and return the attached application. Applications are also available in the school offices as well as the school website at the following link:

www.bbsd.com

If you have received a **NOTICE OF DIRECT CERTIFICATION** for free meals, **do not** complete the application. But **do** let the school know if any children in your household are not listed on the **Notice of Direct Certification** letter you received.

Sincerely,

Lori Gindlesperger
Business Manager
